

MCT Faith Discussion Group

The Faith Discussion Group considers different topics to do with faith to try better to understand what faith is and how it affects us both as individuals and as a community. All are welcome to our meetings, including doubters and sceptics.

Autumn meetings will be on Tuesday evenings, from 5th October to 30th November 2021 at 7.30 in the Upper Room at Saughtonhall URC. Having met only by Zoom last year, we are delighted to be able to meet physically again. The room will be well ventilated and we must wear masks.

Jesus said “Go into all the world”. Where is “the world”? Where is your world?

Fruitfulness on the Front Line is a study course which looks at where we are and what we can contribute (or already contribute) to the world around us. It is a follow-up to *Life on the Front Line* which the group followed last year.

Is God working through us today on our front line? What more can we do? The course includes real-life stories, biblical insight, and practical steps. Each session has a video introduction and a discussion guide is also available. The key question in the first session on 12th October is “**How am I already being fruitful on my frontline?**”

But first, on 5th October, we will start with a review of our summer challenge:

your favourite version of the Lord’s Prayer in English;

your own version of the Lord’s Prayer for 2021.
