### It's time to replant....

We have now been living with COVID for 18 months and as we familiarise ourselves and try and understand what this 'new normal' is, we have been given an opportunity in Saughtonhall.

You are invited to a gathering in the Church at **7pm on Monday 13th September** as we engage in conversation, look at who we are, how we got here, what we have and where God is calling us to work in the community we serve.

*So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering. Embracing what God does for you is the best thing you can do for him. Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognise what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you.*
